Memorandum to: Messrs. Haas
Hetsko
Ramm
Smith
Yeaman

On Friday, July 27, Mr. Austern gave each of you a memorandum bill for disbursements which this firm expected to have to pay in connection with the retrieval project during each of the months of July through October, 1967. It is his understanding that you will promptly be forwarding the allocable amounts set forth in that bill, and, in addition, will continue to reimburse us in the regular course, month by month, for disbursements actually made during the previous month.

Accordingly, additional bills are enclosed, one for cash disbursements made by the firm during July on the retrieval project, and the other for professional services rendered in connection with the project during that month.
